

# Next Steps

- **Fall 2017:** Chapter Town Halls
- **Fall 2017–Spring 2018:** Outreach and education
- **Fall 2017–Spring 2018:** Finalize single-state chapter proposal
- **Spring 2018:** Vote!

# The Choice Is Yours!

**Next spring, you'll have the opportunity to vote on the future of AIA Oregon. Each chapter will vote on how to move ahead.**

**A yes vote means:** Transform AIA in Oregon from four separate chapters into a single AIA for all Oregon architects.

**A no vote means:** Continue with four individual chapters, with a risk that smaller chapters may no longer be able to provide adequate services, and volunteer time and administrative costs remain high
